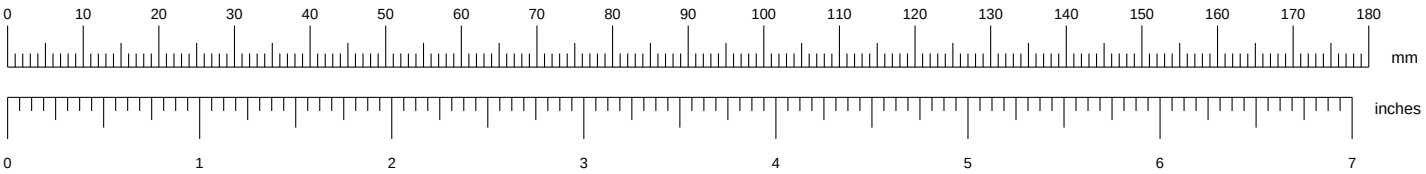
AprilTag 36h11 — 50 mm black square — ids 450–458 — a4 — page 1 of 6

PRINT AT 100% / ACTUAL SIZE. Turn off 'fit to page', 'shrink oversized pages' and 'scale to paper'. Size is measured across the black square, not the white margin.



Check with a ruler: the 180 mm mark must be 180 mm from 0, and the 7 in mark must be 7 in from 0. If not, the print was scaled and the tags are the wrong size.
